GLEP PTA Membership & School Directory Consent Form 2018-2019

IRS Non-Profit Tax ID 91-1442923

Dear Green Lake Families:

We are very fortunate at Green Lake Elementary to have an active PTA that is and has been such an integral part of the school community for many years.

PTA Membership: Why join the PTA?

1. **Our goals are to promote the education, welfare, health and safety of all children at Green Lake Elementary school.** We reach our goals through volunteer support, financial resources and community building.
2. A WSPTA membership card is valuable! Benefits include local and statewide discounts, advocacy, scholarships, programs, volunteer support, services to local PTAs and councils, and training for PTA leaders.
3. **It's FUN!** Our events and activities support closer links between home and school and endeavor to bring staff and families together in support of our school.

With a long and rich history of doing the right thing for children and families, today's PTA is still the premier child advocacy association. Won't you join us?

School Directory: Why opt in to the School Directory?

The school district does not share student contact information with the PTA. In order to create our annual GLEP School Directory, the PTA collects this information from each family. The School Directory is a convenient way to facilitate rides for your child, playdates, parties, or get information about upcoming events from fellow GLEP families. We hope you opt in! **THANK YOU!**

Where do my dues go?

\$5.75	Washington State PTA
\$2.25	National PTA
\$1.50	Seattle Council PTSA
\$5.50	Green Lake PTA -- <i>this money goes towards our PTA's operating expenses.</i>

Please complete the information on the backside of this form and attach a check or cash if you choose to join our PTA. You can also use PayPal (please include "membership" in the memo):
