

Green Lake Elementary Playground

Recently, 130 Green Lake community members responded to a survey about the Green Lake Elementary playground. Here are some highlights.

COMMON CONCERNS FROM THE COMMUNITY

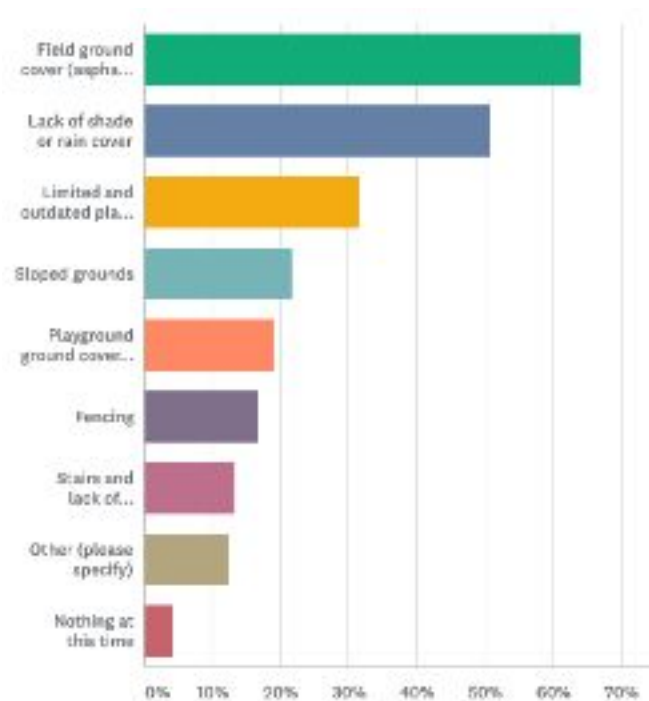

The most common dislikes are:

- The black top**
- The lack of shade & rain cover**
- The limited & outdated play structures**

The community is also dissatisfied with:

- Poor use of space**
- Lack of seating**
- Lack of toddler play**

In addition to new features, the community wants to improve the overall **safety, accessibility** and **cleanliness** of the space.

COMMON IDEAS FROM THE COMMUNITY

- "A **combo of turf & asphalt** to accommodate a variety of play," including space for basketball, riding bikes, walk-a-thon and tree sale.
- "Large **covered outdoor spaces** so kids can still get fresh air and play even in rainy weather," and "covered seating."
- "Make **better use of the multi tiered space**," and "Turn the bare hillside into an epic slide and climbing hill."
- Features "for kids to **create their own games** and creations."
- "**New [equipment]** soccer goals and basketball hoops."
- "**More seating**," and "Buddy benches."
- "**Accessibility, sensory experiences** - touch, hear, smell..."
- "Creatively designed **climbing structures**."
- "**More features for younger toddlers**."
- Continued support for **gardens and natural area**
- Continued support for **enclosed space and safety**
